*Group 3 - Voluntary work and senior
citizens - a perfect match!*

Resumen

Workshop desarrollado durante la celebración del I International Simposium Challenges en Active Ageing, celebrado en Málaga entre el 23 y el 27 de abril de 2012.

Este congreso fue organizado por la Facultad de Estudios Sociales y del Trabajo de la Universidad de Málaga, dentro de los actos del Año Europeo del Envejecimiento Activo y la Solidaridad Internacional. La RevistaeSalud.com ha querido apoyar este evento publicando los abstracts y resúmenes de las principales conferencias y convirtiéndose en el medio oficial de este Simposium.

Students from KHL:

Group 1: Karen Heylen, Saartje van Lint, Tessa Selekaerts

Group 2: Sanne Morris, Alien Dendas

Group 3: Evy Le Bruyn, Frederick Baroen, Elise Humbeeck

Group 1 – Bridging the gap between young and old

Preparatory questions for students

- What do you think when people are talking about 'the gap between young and old'?
- In what kinds of domains does this gap occur? Give concrete examples
- How do you experience this gap between young and old in your own environment?
- To what extent is this gap larger than before?
- In what ways is this gap a common experience across Europe?
- What can we do as social workers to bridging this gap?

Group 2 – Abuse of senior citizens

Preparatory questions for students

- To what extent does abuse of senior citizens exist in your country? (numbers/facts)
- There are several kinds of abuse of senior citizens. What kind of type of abuse prevails in your country?
- What kind of policy does your government have toward abuse of senior citizens?

Group 3 – Voluntary work and senior citizens – a perfect match!

Preparatory questions for students

- What different kinds of voluntary opportunities/work do exist in your country?
- What's the government's role in voluntary work?
- What kind of organisations are specialised in voluntary work engaging senior citizens?

Preparatory questions for students

- beamer and pc
- flipchart and markers
- ape
- scissors
