

Editorial Introduction

This issue of the ***Independent Journal of Management & production (IJM&P)*** features a selection of articles submitted and revised until July 2016. Observe the works are the fruit of research and publications of undergraduate, postgraduate and entrepreneurs.

It is important to mention that all the works are showed without any kind of payment. All of them are published free from payments or taxes.

The publication also counts on the work of researchers from various parts of the world, which have undergone a process of peer review.

As chief editor of ***IJM&P***, I am indebted to all members of the editorial board and reviewers, which contributed to achieve a very decent job during the evaluation and revision. Moreover, that they have contributed to the Journal in recognition of the international scientific community.

In addition, with all the authors, who trusted the results of their research and publications to the scrutiny of editors and reviewers who are part of our Journal.

Since 2015 we are promoting the dissemination of articles published on LinkedIn Pulse, through Chief Editor account of Professor Dr. Paulo Cesar Chagas Rodrigues.

In April 2016, our journal has been indexed by RedALyC and now our goal is to increase the visibility and seek indexing in Scopus and Web of Science.

The first table presents how our collaborators, by their categories of study and sex are.
